DISCLAIMER

This document is for information purposes only, in respect of the product offerings made by MyWealth Investments. It is the sole responsibility of any person in possession of this document to observe all laws and regulations applicable hereto.

The performance of a designated representative may be based on either live performance or a back-tested, simulated performance, where applicable. Performance numbers are historical, the value of all investments and the income derived therefrom may fluctuate, and as such historical performance is not indicative of future results. Historical performance should not be relied upon as a guarantee of future performance.

The various MyWealth Investments product offerings involve variable degrees of risk and MyWealth Investments provides no assurance that future performance in respect of any product referenced directly or indirectly in this brochure will be profitable and/or equal to any corresponding indicated historical performance and/or be suitable for use.

Long and Short-term insurance offered in partnership with Topaz Lake Trading 185 CC.

MyWealth Investments accepts no responsibility or liability for any loss or damage whatsoever, including, but not limited to loss of profits and consequential damages however incurred.

Message from the CEO

MyWealth Investments understands that our clients are the cornerstone of our business. We strive to provide knowledge of the financial markets, as well as offering dynamic investment products so that our clients can pursue and achieve their financial freedom.

Our clients best interests are intrinsic to our business and we've adopted and inculcated the following principles into everything we do:

- Fair treatment of our clients is central to our corporate culture;
- Products and services are designed to meet the needs of our clients;
- Our clients are given clear information and are kept appropriately informed;
- We provide tailor-made advice to our clients as are suitable to their individual circumstance;
- Our clients are provided with products that perform as product providers have led them to expect, and the associated service is performed at an acceptable standard;
- Our clients do not face unreasonable post-sale barriers when changing products, switching providers, submitting claims, or making a complaint.

I believe that access to the financial markets and the ability to achieve financial freedom should be in reach for all. MyWealth Investments would be delighted to be your life-long companion on your journey to financial freedom.

Annatjie van Rooyen
CEO
